Hi Craig - I'm happy to schedule a face to face or a phone chat in the next week to discuss Yucca. And I had a conversation today regarding the urgency with ELDP projects and the December 2020 deadline. We will follow up with you next week with a more defined timeline with milestones.

Hi Lisa and Debbie

I hope you both had a wonderful Thanksgiving!

Again, thank you for meeting with me to discuss Council District 13 developments in the Major Projects unit of DCP. It was very helpful! As a follow up to our conversation, I attached the ELDP statute (Assembly Bill 246). Section 21189.1 references an expiration date of January 1, 2021 if a lead agency fails to approve a project certified by the Governor.

I believe that of the Council District 13 developments in Major Projects with an ELDP is Hollywood Center and 6200 Yucca. These two projects consist of approximately 1,200 units of housing. I am particularly concerned with what I perceive.....perhaps my perception is not correct....of the slow progress on 6220 Yucca. I would like to have a follow up conversation on this matter.

Thanks!

Craig
