Hi Bob and Steve,

I wanted to just flag for our calendars that I received a courtesy call that the Millenium project in Hollywood will be filing for entitlements at the public counter on Thursday afternoon. I beleive they have an appointment with you Steve.

Thanks for making sure everything is in order. I know there will likely be media attention on this one. I also know that the team will be following up regarding a Rec and Parks meeting on Friday after filing with Planning on Thursday, which I assume is not a problem.

Just wanted to send this note to the group to keep everyone informed. Thank you Steve for updating us when this case is filed.

Kevin
