Hi Cheryl. I was hoping you could provide some information/application info for the proposed Hollywood Center project, which is proposed near Hollywood and Vine near the Capitol Records Building. I am not sure of the exact address, other than the Capitol Records building is at [1750 N. Vine St.](#) I was also hoping you could provide a timeline about what's next for the project, i.e. hearings, EIR, etc. Please forward or let me know, and thank you very much, Ed.
