Hi Cheryl,

It looks like this address is associated with the Millennium Project. I have copied Luci, in case you have not connected with her yet.

Thanks,
Jane

Hi, Jane,

I received a request from a reporter (see below). Do you know which project he's talking about and who has been assigned to oversee it?

Thank you!

Hi Cheryl. I was hoping you could provide some information/application info for the proposed Hollywood Center project, which is proposed near Hollywood and Vine near the Capitol Records Building. I am not sure of the exact address, other than the Capitol Records building is at [1750 N. Vine St.](#) I was also hoping you could provide a timeline about what's next for the project, i.e. hearings, EIR, etc. Please forward or let me know, and thank you very much, Ed.
