Subject: 1673 Wilcox - Related Projects Review
To: "alejandro.huerta@lacity.org" <alejandro.huerta@lacity.org>

Hi Alejandro,

We are working on the application for the redevelopment of 1637 Wilcox Avenue in Hollywood. Our entitlement case has not been filed yet, but we are preparing a traffic analysis with Linscott, Law, and Greenspan (LLG) Engineering.

LADOT has asked that Planning review and approve the related projects list (attached) prior to accepting the MOU. Are you able to review the projects list? If not, could you please direct me to the appropriate staff to complete the review?

I also reached out to Luci but I have not received a response since my original correspondence on July 9.

Thank you!
