Hello Ed,

I apologize for the delayed response. The Final EIR is expected to be released by close of business tomorrow, and the project will likely go before the City Planning Commission in October.

As you are on the Interested Parties list for the project, you will receive a Notice of Availability of the Final EIR, as well as a 'Courtesy Notice' 21 days prior to the scheduled City Planning Commission meeting.

Please let me know if you have any additional questions. Thank you.

Hello, I was hoping you could provide an update on the process for the Hollywood Center Project, in terms of what is next. Following the hearing that recently occurred, was wondering about the EIR and Planning Commission consideration. Please let me know about the timeline for the process, thank you very much.
