Good Morning Jin,

Thank you for the update. I have cc'd Mindy Nguyen, who is the planner now assigned the Hollywood Center Project, so she is aware of the Board Meeting.

It was a pleasure working with you on the Project.

Good morning Jessie,

WSAs scheduled to go before the Board of Water and Power Commissioners on Tuesday, December 11, 2018 are not posted on the LADWP's website at this time, but these should be posted by end-of-business tomorrow (approximately 5pm).

If you would like to see a copy of the package going to the Board, please access the link or path below in the late afternoon tomorrow or after, and look for the item on the agenda (there will be a downloadable link for your item).

or by following this path: www.ladwp.com>> Site Map>> Who We Are>> Board of Commissioners>> Choose tab for December 11 when it becomes available, scroll down the agenda to find your item, and click on the link.

There is no need for you or your team to attend the meeting, as we normally answer any questions if asked. But you may attend if you wish. Please let us know either way, and if so, who would attend.

WSAs usually pass on consent without discussion at the beginning of the morning session which starts at 10 a.m. Please let me know if you have any questions.

Thank you.
