Hi Mindy,

Yes, we have availability to review Hollywood Center. Please share the dropbox link with me, John, and Randy (randy.nichols@mbakerintl.com). Randy and I will split the review of sections.

Thanks!

Hi John and Madonna,

I expect to receive a number of sections for the above-referenced DEIR by the end of today. Do you have the capacity to peer review? If so, I will share the dropbox link as soon as they upload the sections.

Thank you and Happy New Year!
