Hi Mindy-

Aside from the demographics information (attached), the District has no comments at this time. We would appreciate being included as an interested party on any future notices going out in this regard. We will likely provide a comment letter once you put the CEQA doc on the street.

LMK if you have any other questions or concerns. Thanks!

Thank you, Elva! Now that you mention it, I remember my colleague in Master Planning and Demographics said she had been in contact with Mindy on this. My bad!
