Dear Ms. Bernhardt,

The Scoping Meeting for the Hollywood Center Project was held on September 12, 2018 at the First Presbyterian Church of Hollywood. I have attached the Notice of Preparation dated September 4, 2018 that was mailed out. If you would like, I can add your name and address to the Project's "Interested Parties" list and you would receive any future notifications as this Project moves through the entitlement process.

Please note that the comment period on the Hollywood Center Project closes at 4:00 p.m. on October 4, 2018. Feel free to email me any comments you wish to submit regarding any environmental impact areas you feel should be analyzed in the environmental impact report. I have attached a copy of the form available at the scoping meeting for reference. You do not need to use the form format. Simply email me your comments and include EIR No. ENV-2016-2118-EIR in the subject line.

Feel free to contact should you have any questions.

Kind regards,

Elva
