Subject: MBI review

Hi all,

To make the most efficient use of MBI resources and to make sure we're appropriately reflecting department priorities, please reach out to me and/or Luci if you need assistance with CEQA documents (rather than reaching out to MBI directly), and we can either allocate resources from our own staff or then reach out to MBI.

Currently, priorities are:

- Hollywood Center
- Angels Landing
- Treeland
- Fox Studios
- Kaiser Sunset (GHG only)

Please let me know if we are missing anything in the above list that is currently being reviewed. MBI may start to have some additional limited capacity sometime in April.

Thanks,
Milena
