Hi Shawn,

Apologies, I misunderstood your original request. I pulled up the records for 1645 Vine and do not see an EIR associated with your building. If you believe there is one and can provide me with a Case No., I would be happy to look into it further.

It should be noted, however, that based on my review of the email you received from Eric Bescher, his request is for a PDF of the Hollywood Center Project DEIR.

Let me know if I can be of any further assistance.

Let me know if you have any questions.

Hi Shawn,

Thank you for your email.

If you are interested in receiving only the EIR Sections as a single PDF, I can provide a Dropbox link for your review. The Appendices and Reference Library would still be accessible from our website, as collectively, they are all too large to be accessible via link.

If you are interested in receiving all of the EIR contents, including the Appendices and Reference Library, we can mail a USB flash drive to you.

Please let me know what your preference is and we will accommodate accordingly.

Best,

Good morning Mindy. My name is Shawn Bieber and I'm the General Manager of Broadway Hollywood (1645 Vine Street). I had a request from one of my homeowners to obtain the Environmental Impact Record for our building. Would it be possible to get a PDF of it sent to me? Thank you for your assistance with this. Greatly appreciated.

Shawn,
Could you get a copy of the EIR for this project? This is the former Millenium project.
Thanks
Eric
