Hi Cynthia,

We are currently in the environmental review process and do not anticipate any decision being made on this Project before the last quarter of the calendar year. However, I can pass your information on to the Applicant so that they are aware of your interest in the units when/if they get built.

Let me know if you have any other questions in the meantime.

Best,

Hi Mindy

I received this notice in my mailbox at 6201 Hollywood Blvd. I am inquiring about the new Hollywood Center Project.

Are these units finished? And if they are, when are they available for rental? I am interested in the senior units and the pricing.

Thank you

Cynthia Burns
