Hi Shannon,

Thank you for your email. Your comments have been received and will be included in the administrative record for the Hollywood Center Project EIR.

Please note that a response to your extension request has been provided in a separate email.

Let me know if you have any other questions.

Hello,

I hope this email finds you well. I'm writing to request that the comment period for the Hollywood Center project be extended to 90 days after the stay at home order is lifted.

Many who would be deeply impacted are traumatized and unfocused at the moment. I believe rushing thru this process could be horribly detrimental to the community, and everyone in our community deserves a fair opportunity to be aware of this massive proposal.

Thank you,
Shannon Woodward
