Hi Kerry,

There is a link to "Public Comments" on the landing page for the Draft EIR, which can be found here:
<https://planning.lacity.org/development-services/eir/hollywood-center-project-1>

All public correspondence is generally uploaded within 5 business days of receipt.

Let me know if you have any further questions.

Hi Mindy,

I am wondering if there is a public portal that we can check to see what letters have come into the city relative to this project?

Thank you so much for that link!
