Hi Stephen,

The City has received your request, together with other requests, for an extension of the Hollywood Center Project Draft EIR comment period in light of COVID-19.

Per CEQA Guidelines Section 15105, the public review period for a Draft EIR should not be less than 30 days nor should it be longer than 60 days, except under unusual circumstances. While we agree that these are unprecedented times, as indicated in the Notice of Completion and Availability (NOA) for the Hollywood Center Project Draft EIR, the Draft EIR, the documents referenced in the Draft EIR, and the whole of the case file, are available for public review on our website at the following location: <https://planning.lacity.org/development-services/eir/hollywood-center-project-1>.

If you are having difficulty accessing the document in any way (i.e. if links are not working or the attachments cannot be viewed), or if you are aware of anyone who has limited access to the document online, we have also offered that the Draft EIR be made available on CD-ROM, USB flash drive or hard copy for anyone who requests one, as we are committed to making the document as accessible as possible from the safety of your own homes, and in compliance with the “Stay at Home” Order.

While we understand that the “Stay at Home” Order prevents neighborhood groups from meeting in person, please be advised that CEQA does not require people to meet and confer on the EIR, and should not preclude anyone from reviewing the EIR and providing comments.

Furthermore, pursuant to the Governor’s [Executive Order N-54-20](#), signed April 22, 2020, deadlines for filing, noticing, and posting of CEQA documents with county clerk offices have been suspended for 60 days. However, deadlines for public review and comment periods for CEQA documents, such as for draft EIRs, have not been suspended and the provisions governing public review remain unchanged.

As such, please be advised that, as the Draft EIR remains accessible to all individuals, the comment period will not be extended at this time. We understand your concern regarding this Project, and ask that you let us know if you have any difficulty accessing the Draft EIR or if you need additional accommodations to be able review it offline.

Please also be advised that this is not your only opportunity to comment on the Project, as we continue to collect general public comment at any time throughout the process.

If it would be helpful to schedule a phone call to discuss any specific questions you may have, or to walk you through the logistics of the Draft EIR, please let me know and I will coordinate accordingly.

Regards,

Due to the coronavirus pandemic:

- Libraries where hard copies of the DEIR have been distributed for viewing are closed due to City mandate.
- Some people cannot drive. Taking public transit to view a copy downtown is not a choice for some, if they could even get into the building
- Your choice, hoping that the USPS will get to a mailbox your \$6.00 copy of the DEIR in time to comment, or download 100s of pdfs to review.

Accordingly, **this is to request that the comment period regarding the Hollywood Center Project be extended to at least 45 days after the libraries housing copies of the DEIR have been re-opened, or the lockdown has been**
