Good evening Mindy,

I would greatly appreciate it if you could prioritize this and upload it tomorrow morning, if at all possible. There should already be electronic copies in the applicant's file, so I hope uploading it could not take more than a moment. I'm on my own deadlines and hope to review these in a timely manner.

Much appreciated,  
Greg

Hi Greg,

Thank you for bringing that to our attention. You should be able to find what you are looking for in the online administrative record no later than the end of this week.

Let me know if you have any other questions.

Regards,

Good afternoon Mindy,

The online administrative record does not include the CUB applications (specifying the location of alcohol service). I am trying to understand the project description and these are not available in the DEIR itself, its appendices or in the online administrative record. Please send them directly to me electronically or let me know when they are available online. Thank you.

Best,
