Subject: Re: EIR documents

Hello,

Thank you for your email. Your comments have been received and will be included in the administrative record for the Hollywood Center Project EIR.

The reason why the pages for which you have provided screenshots state that "no documents are available at this time" is because we are currently in the Draft EIR phase and the documents referenced under those links have not yet been prepared. Once the Notice of Determination, Ordinances, Findings, Final EIR (which will include the Draft EIR and all comments received), Staff Report and Determinations become available, they will be uploaded at that time.

Please be advised that the Draft EIR, in its entirety, is provided under this link:
<https://planning.lacity.org/development-services/eir/hollywood-center-project-1>

You must scroll halfway down the page to where the dropdown menus are located to access the Draft EIR Sections, Appendices and the Reference Library.

Please also be advised that all of your past correspondence is provided under this link:
[https://planning.lacity.org/eir/HollywoodCenter/Deir/ELDP/\(H\)%20Remainder%20of%20Administrative%20Record/Public%20Comments/Public%20Correspondence/public%20correspondence.htm](https://planning.lacity.org/eir/HollywoodCenter/Deir/ELDP/(H)%20Remainder%20of%20Administrative%20Record/Public%20Comments/Public%20Correspondence/public%20correspondence.htm).

This email, and its attachments, will be uploaded to the same link within 5 business days.

Regards,

Dear Ms. Nguyen,

Please see the attached screenshots taken today when trying to access The Hollywood Center EIR docs (case number ENV-2018-2116-EIR).

Please include this email and its attachments into the Administrative Record, in addition to my 5/8 email that you never responded to regarding your departments failure to extend the public comment period for this proposal, which contains more than 13,000 pages; many of which have not been made available to the public due to COVID-19.

Thank you.
