Hi Ms. Nguyen,

By way of this email, LAEDC would like to go "on record" as supporting the Hollywood Center project.

I understand you are accepting letters for that project. Please find LAEDC's letter attached.

Would you mind replying to confirm you've received this email? Please let me know if I need to take any additional steps to have the letter added to the project file to express our support.

Thanks again, and I look forward to your reply. I hope you are healthy and doing well.

Best,
Lawren / LAEDC
