Hi Morris,

Thank you for your email. Your comments have been received and will be included in the administrative record for the Hollywood Center Project EIR. Response to your comments will be provided in the Final EIR, for which you will be notified once available for public review.

Once the Final EIR is released, there will be a public hearing process for the related entitlements, at which time, I would advise that you provide any comments regarding non-CEQA related issues for the decision maker's consideration.

Please let me know if you have any questions in the meantime.

Dear Ms. Nguyen,

I am writing in behalf of myself and my neighbors regarding the proposed Hollywood Center Project. This project is completely out of scale to anything in the neighborhood and will have a deleterious effect on nearly aspect of the area;; huge increases in traffic and congestion and general degradation of the environment. I hope that this project will be scaled back or abandoned altogether to help retain the quality of life in Hollywood and adjoining areas.

Thank you,
Morry Berman
