Hi John,

Thank you for your email. Your comments have been received and will be included in the administrative record for the Hollywood Center Project EIR. Response to your comments will be provided in the Final EIR, for which you will be notified once available for public review.

Once the Final EIR is released, there will be a public hearing process for the related entitlements, at which time, I would advise that you provide any comments regarding non-CEQA related issues for the decision maker's consideration.

Please let me know if you have any questions in the meantime.
