Mindy, there are some return envelopes on your desk and they are in a FedEx envelope. The ones for your Hollywood project. Most of them are the return envelopes from the libraries??? I don't know why they are in FedEx envelopes

Good morning,

Has anyone FedExed or had their consultant FedEx anything to Nyla Arslanian of Discover Hollywood recently?

See email below for more details.

Thanks!

Hi Mindy,

A mystery was solved today regarding an attempted delivery by FedEx earlier this week. An attempt was made prior to our office opening and I was unable to schedule a redelivery through online tracking. Instead we were notified to pick it up at Wahlgreen's but that didn't work. I was finally able to speak to someone today and was notified that the package was returned to Major Projects City of LA Planning. I attempted to call but there was no answer. Looking through staff list I saw your name as the only person I "knew".

Would you kindly advise whoever sends out documents that this occurred and it was a FedEx error. Not knowing what the documents were, I ask that they be resent.

Thanks for your assistance.
