Hi Nyla,

We checked our records and a copy of the Notice of Completion and Availability for the Hollywood Center Project Draft EIR was mailed to you via FedEx, and returned to our office. However, I had also emailed a PDF attachment to you on April 16, 2020; and a copy can be found on the landing page for the Draft EIR here:

https://planning.lacity.org/eir/HollywoodCenter/deir/Draft%20EIR%20Sections/00%20DEIR%20NOCA_Hollywood.pdf

Please let me know if you would still like for us to resend.

Thank you!

Hi Mindy,

A mystery was solved today regarding an attempted delivery by FedEx earlier this week. An attempt was made prior to our office opening and I was unable to schedule a redelivery through online tracking. Instead we were notified to pick it up at Wahlgreen's but that didn't work. I was finally able to speak to someone today and was notified that the package was returned to Major Projects City of LA Planning. I attempted to call but there was no answer. Looking through staff list I saw your name as the only person I "knew".

Would you kindly advise whoever sends out documents that this occurred and it was a FedEx error. Not knowing what the documents were, I ask that they be resent.

Thanks for your assistance.
