Hello,

Thank you for taking the time to contact my office. I take all requests from my constituents seriously, and I appreciate your message. Due to the high volume of e-mails my office receives, it is difficult to respond immediately to each one, but we will respond to every constituent contact in a timely manner.

Please do not hesitate to contact any of my offices if you have any additional questions.

I look forward to our work together to provide the best services for our neighborhoods.

Sincerely,

Monica
