Subject: Re: Notice of Public Hearing for the Hollywood Center Project

Hello,

I am reaching out because I am an elected city official representing the city of Hollywood. I believe you made a mistake or someone at your department did.

The project you sent the email and hearing about is not for the Hollywood Center Project. It is for another project less than a block away from it.

You are going to confuse people which I assume you're department already did.

I suggest you or your boss fix the problem ASAP.

Regards,
Luis Saldivar
