Dear Ms. Nguyen:

We object to today's August 26, 2020 hearing going forward in light of the City's grotesque violation of the public's rights of access and participation.

How many people have already given up and ended attempts to log onto the meeting via Zoom because of the City's incompetence in not providing a password or even requiring one? (See attached City Planning's notice of public hearing.)

This hearing was illegal to begin with and should never have gone forward. Now, even more, it must be canceled because of, at best, the City's gross ineptitude, and at worst, deliberate attempts to frustrate the public's rights and participation.

At minimum, a Brown Act violation has already occurred by not correctly and properly providing the public with the correct manner to participate and speak.

Please include this letter and the attached and your responses in the Hollywood Center running administrative record.
