Thanks for this info. I did receive an hard copy invitation for the public hearing last week, so you probably do have my address. But just in case my unit number is 509.

Email is always preferred, so thanks for adding me to the distribution list.

Best,

Branden

Hi Branden,

Thank you for letting me know. The email list includes interested parties and commenters on the NOP and DEIR for whom we have email addresses; however, we also send hard copy notices to all owners and occupants within a 500-ft radius of the Project Site. Our records indicate that we did send notices to occupants at 6253 Hollywood Blvd. If you have a Unit #, I can double check for you to verify that a hard copy notice was mailed to you.

Either way, I have added your email to the Interested Parties List, so you will continue to receive notice for all public meetings and hearings related to this Project.

Feel free to reach out to me if you have any questions.

Hi Mindy,

I have lived at 6253 Hollywood Blvd for 2+ years now and I don't receive these emails. Instead, they're being forwarded to me by a friend who lives a few blocks away.

Since this project will be right outside my window and block my view of the Hollywood Sign and Capitol Records building, decreasing my home property, can I please be added to your mailing list so that I can properly be kept up to speed on this?

Thank you,

Dr. Branden Grimmatt
