Subject: Re: Notice of Availability for the Hollywood Center Project Final EIR (ENV-2018-2116-EIR)

Hi Hans,

The project you are referring to, the Millennium Hollywood Project, is a different project that was previously proposed at the same Project Site. However, the planning approvals and environmental determination for that project were invalidated. The analysis contained in this EIR is for a new project, the Hollywood Center Project.

Let me know if you have any other questions.

Hello
Is this the same project that used to be called the "Millennium Project"?
Thank you
Hans
