Dear Mindy,  
Thank you for this information.

Has there been any movement on canceling this project based on the indictment of LA city councilman Jose Huizar?

## Los Angeles City Councilman Jose Huizar Charged in 34-Count Indictment Alleging Wide-Ranging Political Corruption | USAO-CDCA | Department of Justice

A federal grand jury today returned a 34-count indictment against Jose Huizar, an elected member of the Los Angeles City Council, on charges that he led a criminal enterprise where he used his powerful position at City Hall to enrich himself and his close associates, and unlawfully gave favorable treatment to developers who financed and facilitated bribes and other illicit financial benefits.

So much goes into city planning and expansion of folks spaces, all of these projects are suspect and truly in breach of our public policy.

Thank you for any information you might be able to share and should you have any suggestions as to how we can develop projects that support the health and wellness of our beloved neighborhoods.

Best,

Melanie
