Thank you.

Please make these appeals available to users who are not as technical savvy as others. I have neighbors who have never used a computer before but have learned, for no other reason than to view documents related to the Hollywood Center Project.

They would never know they have to sift through your email correspondence folder and dig through hundreds of pages to locate the appeals filed.

I am tech savvy and could not locate all of them.

Thank you.

Dear Mindy:

Please provide copies of the 6 appeals that were recently filed in the Hollywood Millennium case.

They are nowhere to be found in the record.

Thanks.
