Dear Ms. Nguyen:

Please advise when the City will provide its Appeal Recommendation Report of the 6 appeals to the project so that the public has an opportunity to timely comment ahead of the October 15, 2020 City Planning Commission hearing.

According to the attached hearing notice you distributed on September 24, 2020, the public has up to 48 hours prior to the hearing to submit "written materials in response to an Appeal Recommendation Report." The City has had 2 weeks, since September 23, 2020 (the deadline for appeal submissions), to compile its report. As of today, the public now has less than a week to review and comment.

Please include this letter and all following correspondence in the above-referenced project's administrative record.

Thank you.
