Hi Veronica,

The information is provided on the Notice of Public Hearing you included in your initial email. If you refer to the second paragraph under General Information, it reads as follows:

*AGENDAS AND REPORTS- Commission Agendas are accessible online at [planning.lacity.org](http://planning.lacity.org), by selecting "Commissions & Hearings", the specific Area or City Planning Commission and "Agendas". Appeal Recommendation Reports are available on-line seven (7) days prior to the Commission meeting and are hyperlinked to the case numbers on the agenda. Please note that Appeal Recommendation Reports are not prepared for appeals related to Zoning Administrator decisions.*

Dear Ms. Nguyen:

Thank you for your prompt response. Has the public been notified of the same? I do not have a record of receiving a notice from City Planning with this link or information prior to my request.

Thank you.

Dear Ms. Nguyen:

Please advise when the City will provide its Appeal Recommendation Report of the 6 appeals to the project so that the public has an opportunity to timely comment ahead of the October 15, 2020 City Planning Commission hearing.

According to the attached hearing notice you distributed on September 24, 2020, the public has up to 48 hours prior to the hearing to submit "written materials in response to an Appeal Recommendation Report." The City has had 2 weeks, since September 23, 2020 (the deadline for appeal submissions), to compile its report. As of today, the public now has less than a week to review and comment.

Please include this letter and all following correspondence in the above-referenced project's administrative record.

Thank you.
