Good morning.

The Guidelines state:

*"Initial Submissions, not limited as to volume, must be received by the Commission Executive Assistant **no later than by 4:00 p.m. on the Monday prior to the week of the Commission meeting**"*

The Agenda you attached was **NOT made available to the public before October 8, 2020**. The soonest Monday thereafter was yesterday, October 12, 2020. The City has once again made it impossible to comply with its own rules by making this information available after the fact.

However, assuming this will go ignored, please use the attached 7 page document to be distributed to the CPC in advance of the October 15, 2020 hearing. The other pages will be sent 10 pages at a time from other members of the public.

Please confirm receipt.

Thank you.

Jennifer

Dear Mindy, et al.

Please include the attached PDF and all 59 pages into the administrative record for the proposed Hollywood project.

The attached is intended to also be given to the City Planning Commissioners who will hopefully be reviewing the documentation on this case prior to the 10/15 hearing. It would be nonsensical for the Commissioners to approve a project they have not read anything about, right?

Please confirm receipt.

Thank you.
