Ms. Nguyen:

Is the Planning Commission hearing on the Hollywood Center project going forward on Oct. 15? If not, why not? And what new date is anticipated for the Planning Commission hearing?

Per our October 13, 2020 letter, pp. 5-6, are any of the Planning Commissioners recusing themselves?

Also, per the October 12, 2020 letter from attorney Anthony Kornarens of the Vedanta Society, please also provide to us all documents that are responsive to his Public Records Act request for all documents and writings, including from personal email and text accounts, to/from/including Planning Commissioners about the Project. We incorporate by reference herein his CPRA requests as our own. All of those documents/writings must also be included by the City in the administrative record. Please advise as to when those documents will be provided to us, and please ensure that all Planning Commissioners have been informed not to destroy, delete or otherwise spoliage such documents/writings, including on their personal accounts. To the extent that any such responsive documents/writings have been deleted, they must be retrieved and included.

Thank you.
