Subject: Re: Request for Continuance of the Hollywood Center Project - October 15, 2020 CPC Meeting

Hi Ellen,

No action will be taken on the Project tmrw, other than to consider the request to extend the time to act on the Vesting Tentative Tract appeals. As you are an Interested Party, you will receive notice of when the Project is rescheduled for another hearing date. Please also be advised that City Planning Commission meetings always take place on Thursday mornings. If you are unable to attend, you may submit written comments, which hold the same weight as oral testimony.

Let me know if you have any questions.

I work and of course Millenium has extended and pushed back and now are having a hearing when most people can't go. Of course they will move forward and eventually be approved like the other twenty building in a two square mile. And as usual, we the local residents and homeowner/taxpayers will get left holding the bag. Thank you all for your consistency in selling us out!
Respectfully, Ellen Vinitzky
