Dear Mindy Nyugen,

Why are the public comments that are sent to you only in your reply emails? Where are the **original** letters & emails people sent you? Those have to be posted and available for public review.

In addition to this, you have not included the attachments in many of the emails.

**Please ensure the public has access to ALL OF THE CORRESPONDENCE you are sent.** This is required by law. **You are not allowed to edit the public record.**

Please make sure all correspondence is available asap.

Joel
