Thank you for your email. I have read all of your other emails, as well. My office provides regular advice to the Planning Department on many issues, including administrative records. However, our advice is covered by the attorney-client privilege and confidential and cannot be shared with members of the public. I appreciate and understand your issues and concerns in this matter, but suggest it's not helpful or accurate to infer what you think our advice is or to infer any lack of interest on our part. Sincerely,
Terry Kaufmann Macias

My next door neighbor told me to report issues like this to you, but it doesn't seem like your office is interested in the tampering the planning department continues to do to the millennium record. Are you advising them to ignore us?

Mindy,

You responded to all of my emails of this morning within ten minutes. The only one that asks you a very simple direct question causes you to be silent.

I will ask again and for a third time. Respectfully,

Again you removed an item from the record AFTER it was included.

I wasn't asking for the additional letter submitted. I requested the original attachment to the email submitted. **Which you have admitted to removing.**

Dear Mindy Nyugen,

Why are the public comments that are sent to you only in your reply emails? Where are the **original** letters & emails people sent you? Those have to be posted and available for public review.

In addition to this, you have not included the attachments in many of the emails.

Please ensure the public has access to ALL OF THE CORRESPONDENCE you are sent. This is required by law. **You are not allowed to edit the public record.**

Please make sure all correspondence is available asap.
