This letter is in response to your California Public Records Act (CPRA) Request received on September 17, 2020, seeking records from the Los Angeles Department of Water and Power (LADWP) on the above subject.

The LADWP has conducted a thorough search for records and identified records responsive to your request. However, computer programming is required to compile information. Please confirm you are willing to pay the cost of any programming that may be required.

Should you wish the LADWP to proceed with the production of records related to your request, please sign, date, and return the enclosed Electronic Records Search & Programming Agreement confirming your intent to reimburse the LADWP for the total cost of compiling the records you seek, plus any duplication charges. If you have any questions regarding your request, please contact the LADWP CPRA Clearinghouse at cpra@ladwp.com or (213) 367-4440.
