It is clear between October 8 and October 16, 2020, emails were uploaded to this folder.

As previously stated to Ms. Nguyen, the public has rights to these documents and they should be uploaded BEFORE a member of the public is forced to bring them to your attention.

Thanks.

*"He makes similar claims about missing emails to her regularly."*

Hello,

Thank you for bringing this to our attention. ***This correspondence does appear to be missing the attachment, and I have put in a request to get that corrected***
