Dear Margaret,

Thank you for your email. As you are an Interested Party, you should have received an email dated October 13, 2020 explaining that a request for continuance was submitted regarding the Hollywood Center Project. At the City Planning Commission hearing which took place on October 15, 2020, the Project was continued to a date uncertain. As you are an Interested Party, you will receive notice of when the Project is rescheduled for another hearing date. As also explained in my October 13th email, all public comments continue to be accepted, and incorporated into the administrative record for the Hollywood Center Project, until a final decision is made.

I am not privy to each individual's stance on the Project. However, City Council contact information can be found here: <https://www.lacity.org/government/popular-information/elected-officials/city-council>. For City Planning Commission contact information, you would have to email the Commission Office at cpc@lacity.org.

Let me know if you have any other questions.

Regards,
