Thanks.

What does that mean? They will be trenching? Or they will not? Is the City no longer demanding they trench the site?

Thanks.

Hello,

I have just followed up with LADBS regarding our request for correspondence, and can keep you apprised of when Daniel Schneiderei's emails are in receipt and posted to our site. There is no new information regarding trenching plans at this time.

Checking in on the below re Schneiderei's email folder and other correspondence missing from the record.

I also wanted to ask if you could please provide an update on any trenching plans that have already taken place, or are currently scheduled.

Thanks in advance.

Hello,

As also stated in my email dated October 14, 2020, LADBS had asked for an extension until November 16, 2020 to provide our Department with the requested correspondence, and includes Daniel Schneidereit's emails.

For your convenience, I have provided a link to the above-referenced email here, so that there is no mistake regarding what information was provided: [https://planning.lacity.org/eir/HollywoodCenter/Deir/ELDP/\(H\)%20Remainder%20of%20Administrative%20Record/Agency%20Correspondence/Email%20Correspondence/Mindy%20Nguyen/20201014%201052%20M.%20Nguyen%20Agency%20Correspondence%20folders%20-%20still%20a%20dearth%20of%20communications....pdf](https://planning.lacity.org/eir/HollywoodCenter/Deir/ELDP/(H)%20Remainder%20of%20Administrative%20Record/Agency%20Correspondence/Email%20Correspondence/Mindy%20Nguyen/20201014%201052%20M.%20Nguyen%20Agency%20Correspondence%20folders%20-%20still%20a%20dearth%20of%20communications....pdf)

I believe what you said related to the ZIP files that allegedly contain emails and/or gmail correspondence. The ZIP files themselves are what should be made available for download so its contents can be extracted without tampering.

Schenidereit's folder is still incomplete as are others.

Thank you.

Hello,

Yes, you are correct. Based on my email dated October 14, 2020, I had informed you that the emails about which you inquired would be uploaded by the end of that week. As such, the dates you cite are consistent with the information that I had provided you.

As previously stated to Ms. Nguyen, the public has rights to these documents and they should be uploaded BEFORE a member

Thanks.

Hello,

Thank you for bringing this to our attention.

This correspondence does appear to be missing the attachment, and I have put in a request to get that corrected

Hi Ms. Webber.

The running record shows there are many communications that include you however there is nothing from 2020 in your email communications folder. I've attached a screen shot of the 6 items for your reference.

Would you please either provide your communications related to the Hollywood Center project and/or upload them to the public record? These are a matter of public record and as such, must be accessible by the public during the administrative process so the public has all of the information.

Thank you in advance.
