Dear Mindy,

I am again following up with you regarding the public records that have yet to be made public in regards to LADBS Daniel Schneideriet.

I initially made this request in September 2020. You had informed me LADBS requested an extension of the CPRA request until Nov 16, 2020. Today is December 30, 2020 and still nothing has been received.

Please provide the public records requested of Daniel Schneidereit in addition to any other LADBS employees who have been involved in the Hollywood Center Project/Millennium.

Many thanks.

Hello,

As also stated in my email dated October 14, 2020, LADBS had asked for an extension until November 16, 2020 to provide our Department with the requested correspondence, and includes Daniel Schneidereit's emails.

For your convenience, I have provided a link to the above-referenced email here, so that there is no mistake regarding what information was provided:

I believe what you said related to the ZIP files that allegedly contain emails and/or gmail correspondence.

The ZIP files themselves are what should be made available for download so its

contents can be extracted without tampering.

Schenidereit's folder is still incomplete as are others.

Thank you.
