Hi, Mindy:

Are you aware of this PRA request made to LADBS? Are you assisting LADBS with it? Not sure why he is sending to me.

**Subject:** CPRA Request 1/4/2021

Good morning.

A request was made to the Department of City Planning in September of 2020 to produce all communications, emails, notes, attachments, comments and letters from and to LADBS Daniel Schneiderei, the Department and Millennium partners in relation to the Hollywood Center Project, case numbers CPC-2018-2114, CPC-2018-2115, ENV-2018-2116, and VTT-82152.

I was told by the planner assigned to the case, Mindy Nyugen, LADBS requested an extension to fulfill this request, delaying production until November 16, 2020. Another delay was made whereas the planner has informed me after all of these months only a single email was produced. However, the email she references is already in the record and was not produced in direct response to the request.

Pursuant to section 6253. of the California Public Records Act, please produce **within ten days** of this email, all communications, emails, notes, attachments, comments and letters from and to LADBS Daniel Schneiderei, the Department, and Millennium partners and its representatives and employees in relation to the Hollywood Center Project, case numbers CPC-2018-2114, CPC-2018-2115, ENV-2018-2116, and VTT-82152.

Thank you in advance.  
Happy New Year.
