Hi, Mindy. Do you know when the final EIR for this project will be available? Will it be before the August 26 hearing? Thanks for your help on this. Daniel

Subject: Hollywood Center Project - Comments

Hello Ms. Nguyen,

I hope this email finds you well. I am writing on behalf of [REDACTED] in hopes that you are still accepting written comments on the Hollywood Center Project due to the current climate.

We are concerned that the current plan routes every piece of vehicular traffic for the West building onto Ivar Ave., instead of putting entrances/exits onto Yucca or Vine. We are supportive of the development but deeply concerned about focussing all of the traffic onto our street.

Thank you for taking our concerns into consideration and please let me know if you have any questions or would like to discuss further.

Best,
Elena
