Subject: Hollywood Center Project Correspondence Follow-Up Request
Attachments: Revised Instructions for Gmail Labeling and Archiving.docx

Hello,

By now, you should have already received an email on or after February 4, 2020, requesting all electronic communications, such as emails (including personal emails) and text messages pertaining to the **Hollywood Center Project**, located at 1720-1770 North Vine Street; 1746-1760 Ivar Avenue; 1733 and 1741 Argyle Avenue; and 6236, 6270, and 6334 West Yucca Street.

If you have already responded to the first email by indicating that you did not have any correspondence, or by providing all correspondence in your possession, this email is to request any *additional* correspondence from, to, or between any City staff relating to the Hollywood Center Project, **from the date of your initial response to present.**

If you did not respond to the first email, this email is to request any written or email correspondence from, to, or between any City staff relating to the Hollywood Center Project, dating back **from October 12, 2017 to present.**

Please note that as an Environmental Leadership Development Project (ELDP), the City is required to collect and upload all relevant public records of proceedings regarding the Project at the time the Draft EIR is published, until the administrative record for this Project is certified. That said, I ask that, following compliance with the subject request, you continue to upload any correspondence on this Project, as you receive it, to the following Dropbox link:

<https://www.dropbox.com/sh/lufus38k150p0he/AACd9mR7C-Gs7RtPqvuhJdHba?dl=0>, within a folder titled under your Full Name, using the following instructions:

1. All **email (digital) correspondence** should be submitted, per the Office of the City Attorney's request, in the format outlined in the instructions attached to this email.
2. Any **written (non-digital) correspondence** should be submitted via a scanned PDF file.
3. Any **text messages** should be screenshot and forwarded to your "lacity.org" email address, and compiled based on the instructions attached to this email.

At a minimum, please conduct a search using the following key words/phrases:

- *CPC-2018-2114*
- *CPC-2018-2115*
- *ENV-2018-2116*
- *VTT-82152*
- *Tract Map 82152*
- *Hollywood Center Project*
- *Hollywood Center*
- *HCP*
- *Millennium*
- *1720-1770 North Vine Street (any address in the range)*
- *1746-1760 Ivar Avenue (any address in the range)*
- *1733 and 1741 Argyle Avenue (any address in the range)*
- *6236, 6270, and 6334 West Yucca Street (any address in the range)*
- *MCAF Vine LLC*

Please submit all documents to me no later than **Thursday, April 2, 2020.**

If you are aware of other City staff who may have worked on this Project but has not been included in this email, please let me know as soon as possible. If you do not have any correspondence regarding this matter, you do not need to respond.

Thank you in advance for your time and cooperation.

INSTRUCTIONS FOR LABELING AND DOWNLOADING GMAIL EMAILS

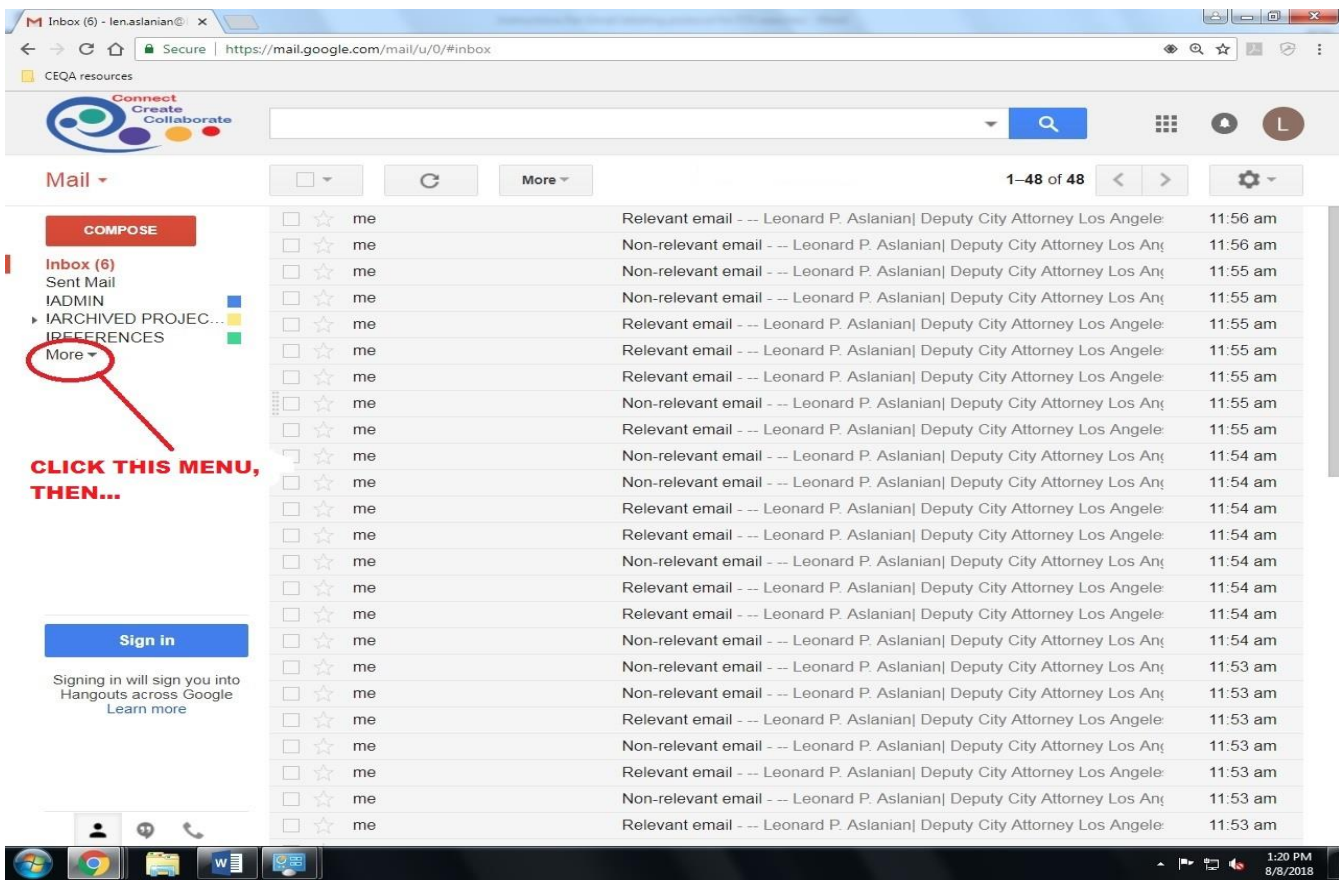

Below are step-by-step Gmail “labeling” instructions for DCP staff who were meaningfully involved on a project certified as an Environmental Development Leadership Project for which the administrative record must be prepared and made available to the public at the time the Draft EIR is published. Per this email search protocol of the Land Use Division of the City Attorney’s Office, key City staff are requested to label all emails pertaining to the project in their lacity.org email accounts using Gmail’s labeling function. This approach is intended to reduce the number of irrelevant emails in administrative records by having key DCP staff proactively identify and label relevant emails, and then download the labeled emails into a folder that is provided to the Land Use Division to review for privilege and relevance. Major Projects should work with the City Attorney’s Office request that ITA perform an email search for those custodians who fail to identify, label and download emails pursuant to these instructions.

The Lead Planner shall provide City staff with the specific Gmail label they are to use, as well as search terms City staff should use to find relevant, project-related emails. City staff will then apply the provided Gmail label to those emails. Email search terms will generally consist of the ENV, CPC, and/or Council file numbers for the project, project site address(es), and frequently used acronyms and shorthand names. For example, in a recent search related to the Permanent Supportive Housing ordinance the following search terms were used: “Permanent Supportive Housing”, “PSH”, “CPC-2017-3136”, “ENV-2017-3137”, and “17-1422”.

For purposes of uniformity and to avoid any gaps in the email search, please only use the email search terms and Gmail label provided to you by the City Attorney’s Office. In the below example, relevant emails have already been identified and the Gmail label used is “**MAJOR CEQA PROJECT**”. However, the Lead Planner should identify a label name specific to the project for which the emails are being gathered.

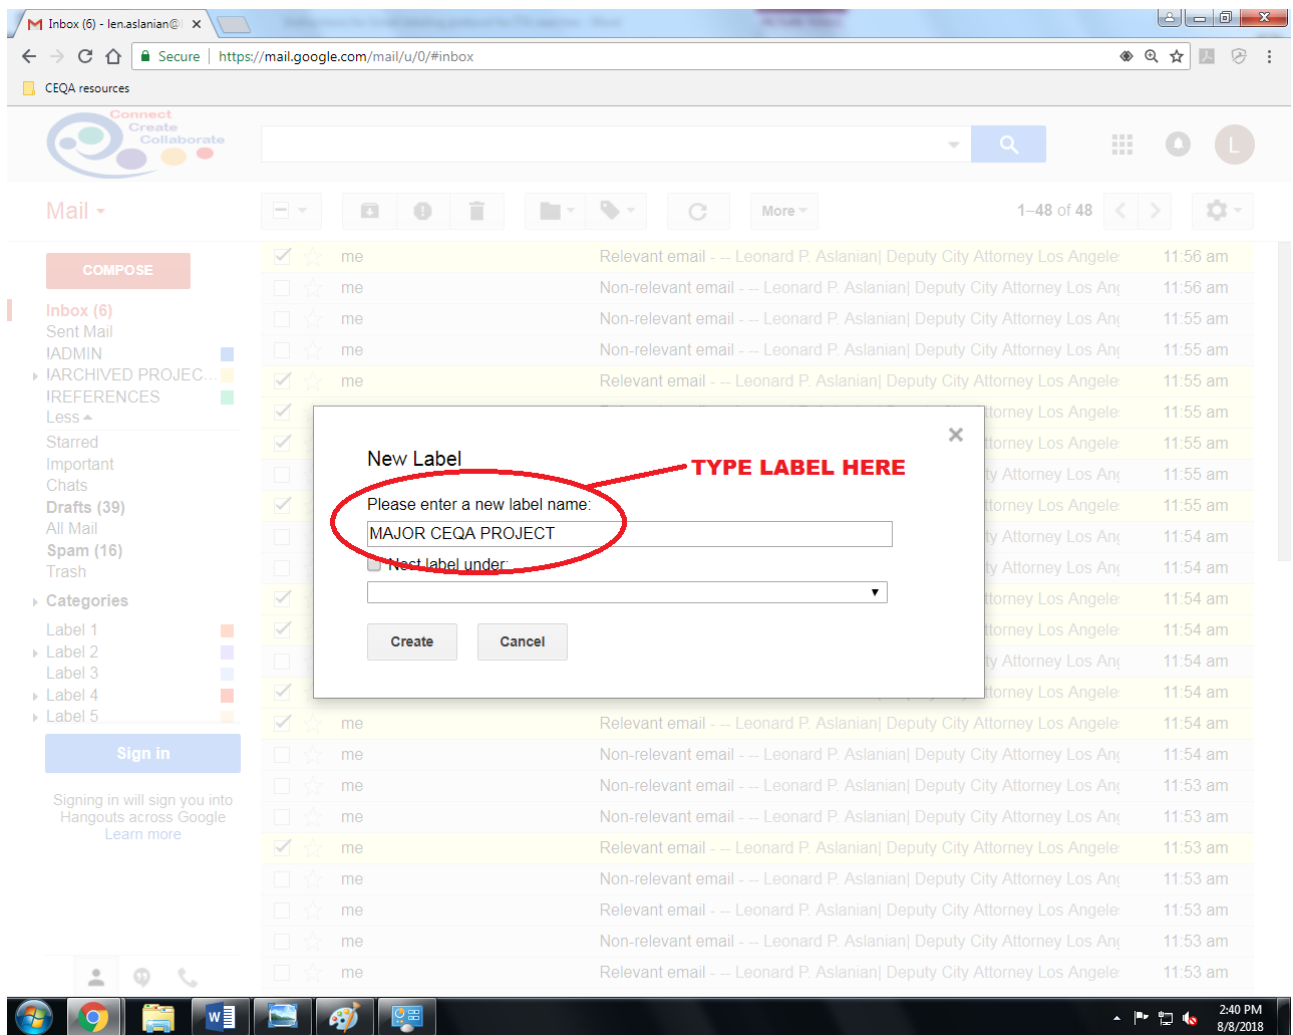

1. STEPS TO LABEL GMAIL EMAILS

Step 1-1: To create the Gmail label you'll be using, open your lacity.org Gmail account to the main page. In the column on the lefthand side (under the red "COMPOSE" button), click on the "More" dropdown menu and then the blue "Create new label" link.

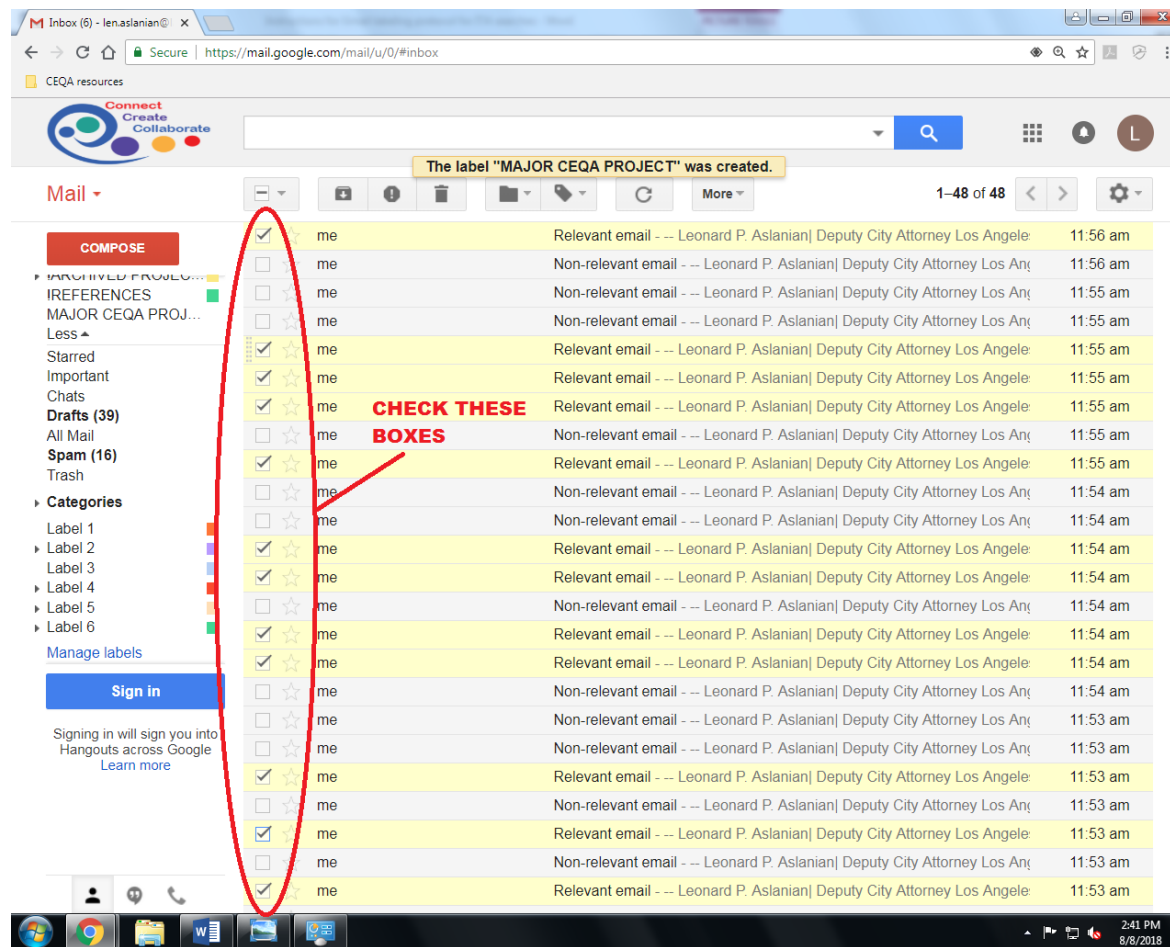

The screenshot shows a Gmail inbox in a web browser. The browser address bar shows 'https://mail.google.com/mail/u/0/#inbox'. The Gmail interface includes a left sidebar with navigation options like 'Compose', 'Inbox (6)', 'Sent Mail', 'ADMIN', 'ARCHIVED PROJEC...', 'REFERENCES', 'Less', 'Starred', 'Important', 'Chats', 'Drafts (39)', 'All Mail', 'Spam (16)', 'Trash', and 'Categories' (Label 1-6). A red circle highlights the 'Create new label' link in the 'Categories' section. A red arrow points from this link to the 14th email in the inbox, which has the subject 'Non-relevant email' and the text '...CLICK THIS LINK' in red. The email list shows various 'Relevant' and 'Non-relevant' emails from 'Leonard P. Aslanian | Deputy City Attorney Los Angeles' with timestamps ranging from 11:53 am to 11:56 am. The bottom of the screen shows a Windows taskbar with icons for various applications and a system tray showing the time as 1:34 PM on 8/8/2018.

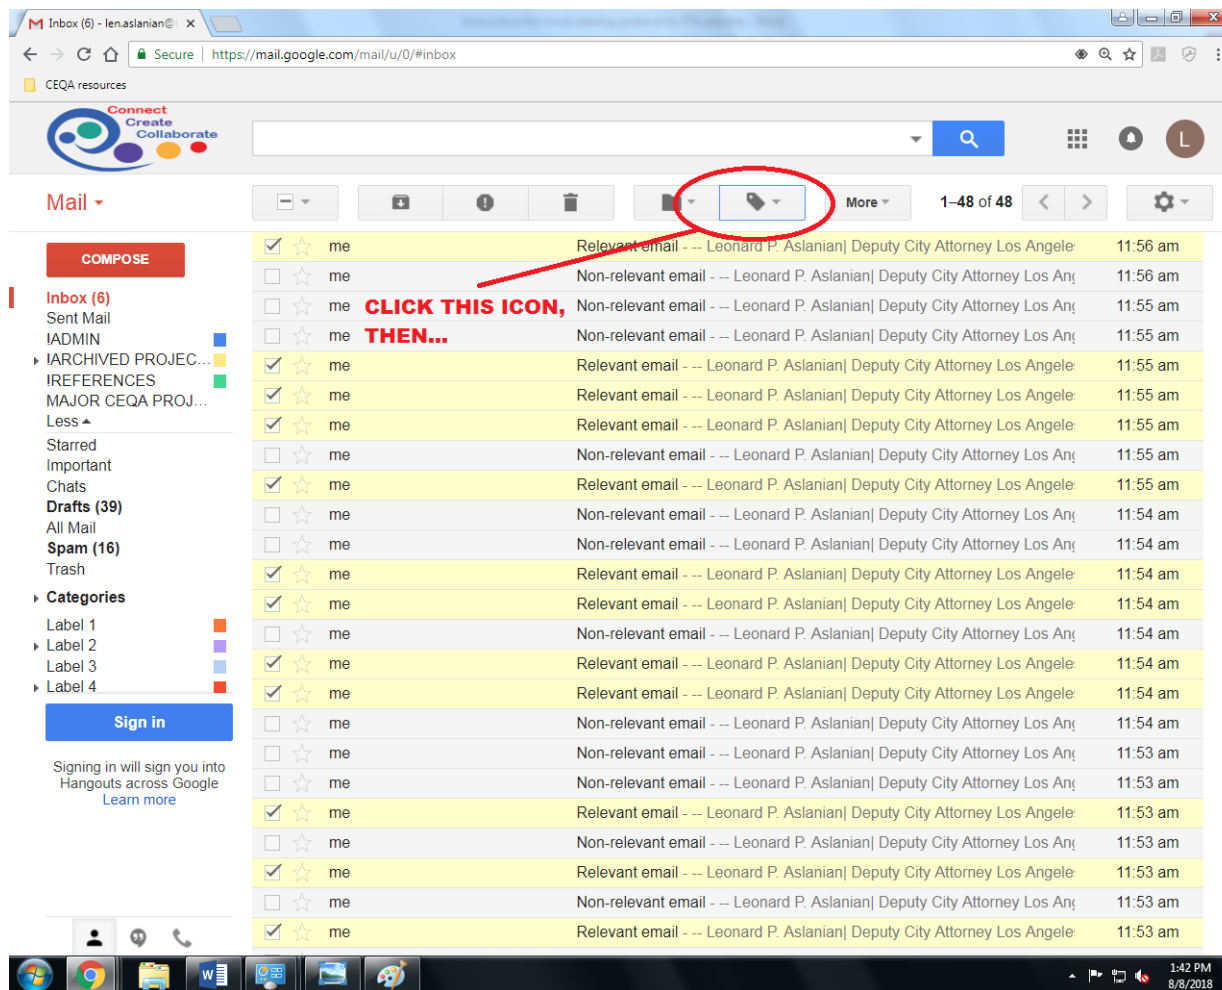

Step 1-2: A pop-up menu titled “New Label” will appear. In the box under “Please enter a new label name:” type the label name provided by your Deputy City Attorney contact (here, “MAJOR CEQA PROJECT”). There is no need to “nest” the label under any other Gmail labels you previously created, although you can do so if it’s helpful for your own internal organization.

Step 1-3: Once you've created the new label you can start applying it to specific emails. To do so, return to your Inbox and, using the checkmark boxes on the lefthand side of the screen, check all emails relevant to the project. (Note: you may need to scroll through multiple pages of your Gmail inbox, or use the search box at the top of the Gmail screen, to find and label all of your project-relevant emails.)

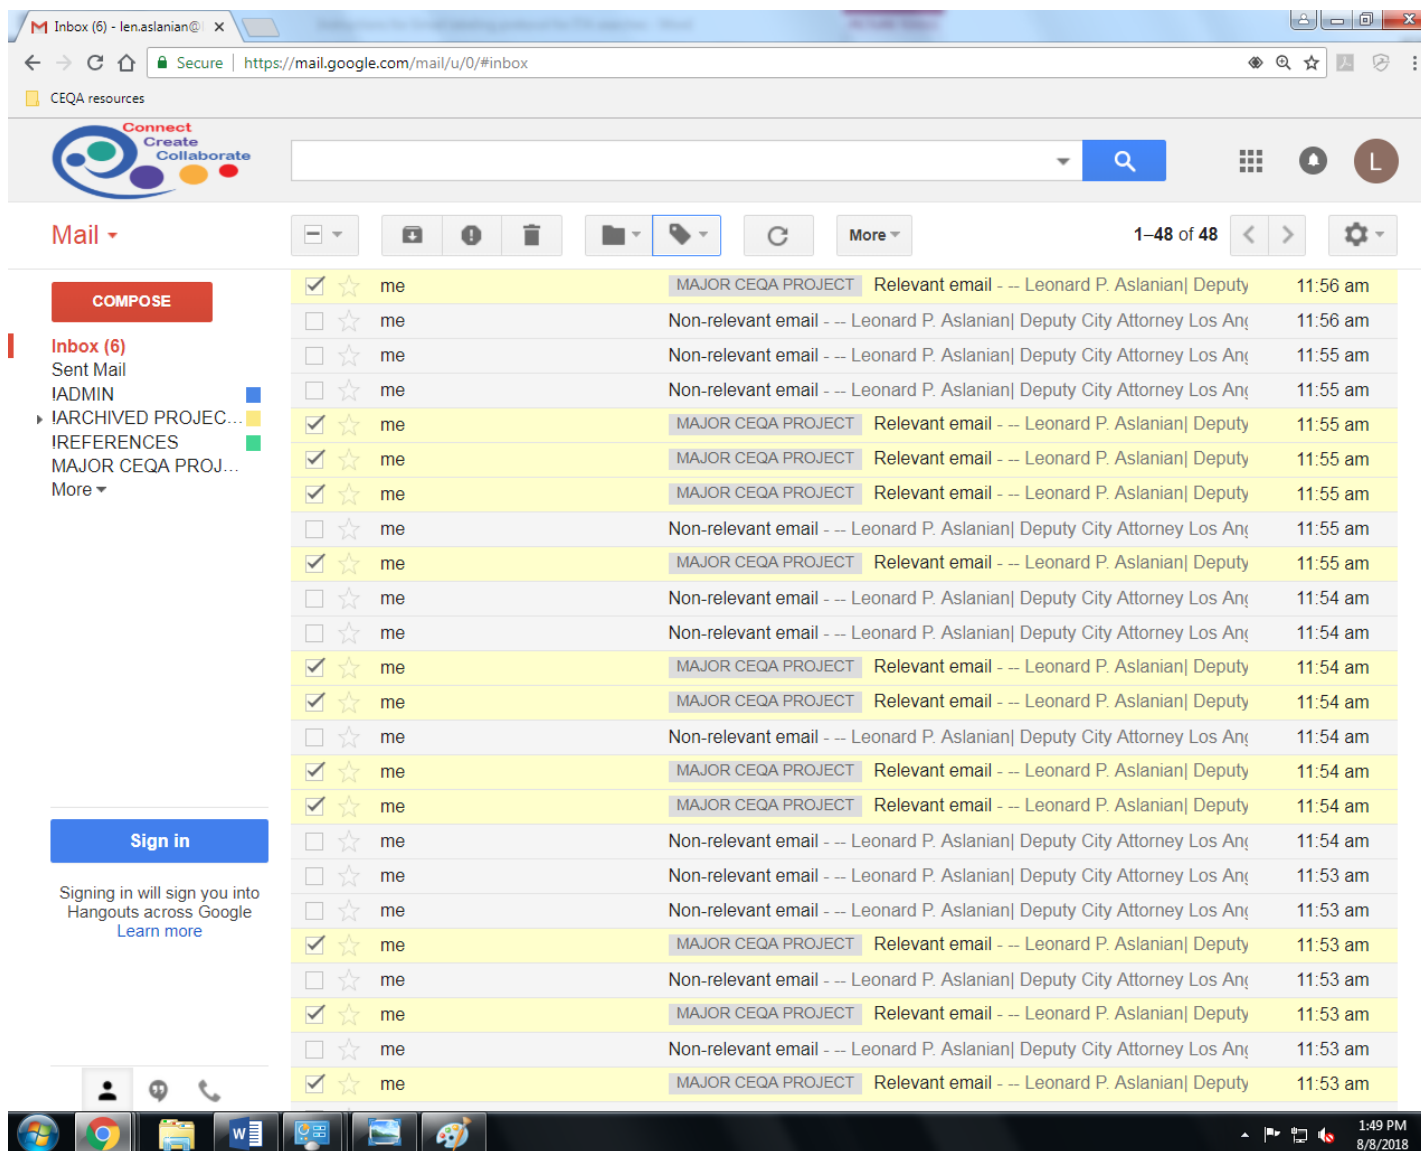

Step 1-4: Once you have checked all the relevant emails, click on the “label” icon at the top of the screen. A dropdown menu titled “Label as:” will appear – in that menu, click the “Major CEQA Project” label you previously created:

The screenshot shows a Gmail inbox interface. On the left, there is a sidebar with navigation options: 'COMPOSE', 'Inbox (6)', 'Sent Mail', 'IADMIN', 'IARCHIVED PROJEC...', 'IREFERENCES', 'MAJOR CEQA PROJ...', and 'More'. Below this is a 'Sign in' button and a message: 'Signing in will sign you into Hangouts across Google. Learn more'. The main area displays a list of 48 emails, with the first few highlighted in yellow. A 'Label as:' dropdown menu is open over the list, showing a search bar and several labels: 'Label 5/Sub-label 1', 'Label 6', 'Label 6/Sub-label 1', 'MAJOR CEQA PROJECT', 'Social', 'Promotions', 'Updates', and 'Forums'. The 'MAJOR CEQA PROJECT' label is circled in red, and a red arrow points to it with the text '...CLICK THIS LABEL'. Below the labels are options for 'Create new' and 'Manage labels'. The top of the browser window shows the URL 'https://mail.google.com/mail/u/0/#inbox' and the page title 'Inbox (6) - len.aslanian@...'. The bottom of the screen shows a Windows taskbar with various application icons and a system tray with the time '1:45 PM' and date '8/8/2018'.

The relevant emails you selected should now all be labeled “MAJOR CEQA PROJECT”:

Step 1-5: Alternatively, you can label a relevant email from within the individual email itself. To do so, click on the email you wish to label, then follow the same procedure outlined in Step 4:

Relevant email - len.aslanian x

The relevant email you selected should now be labeled "MAJOR CEQA PROJECT":

Step 1-6: Once you have labeled all project-relevant emails, you can view them all together by clicking on the project label listed on the lefthand side of your Gmail account:

A Gmail screen showing only those relevant emails you have marked with the label will appear:

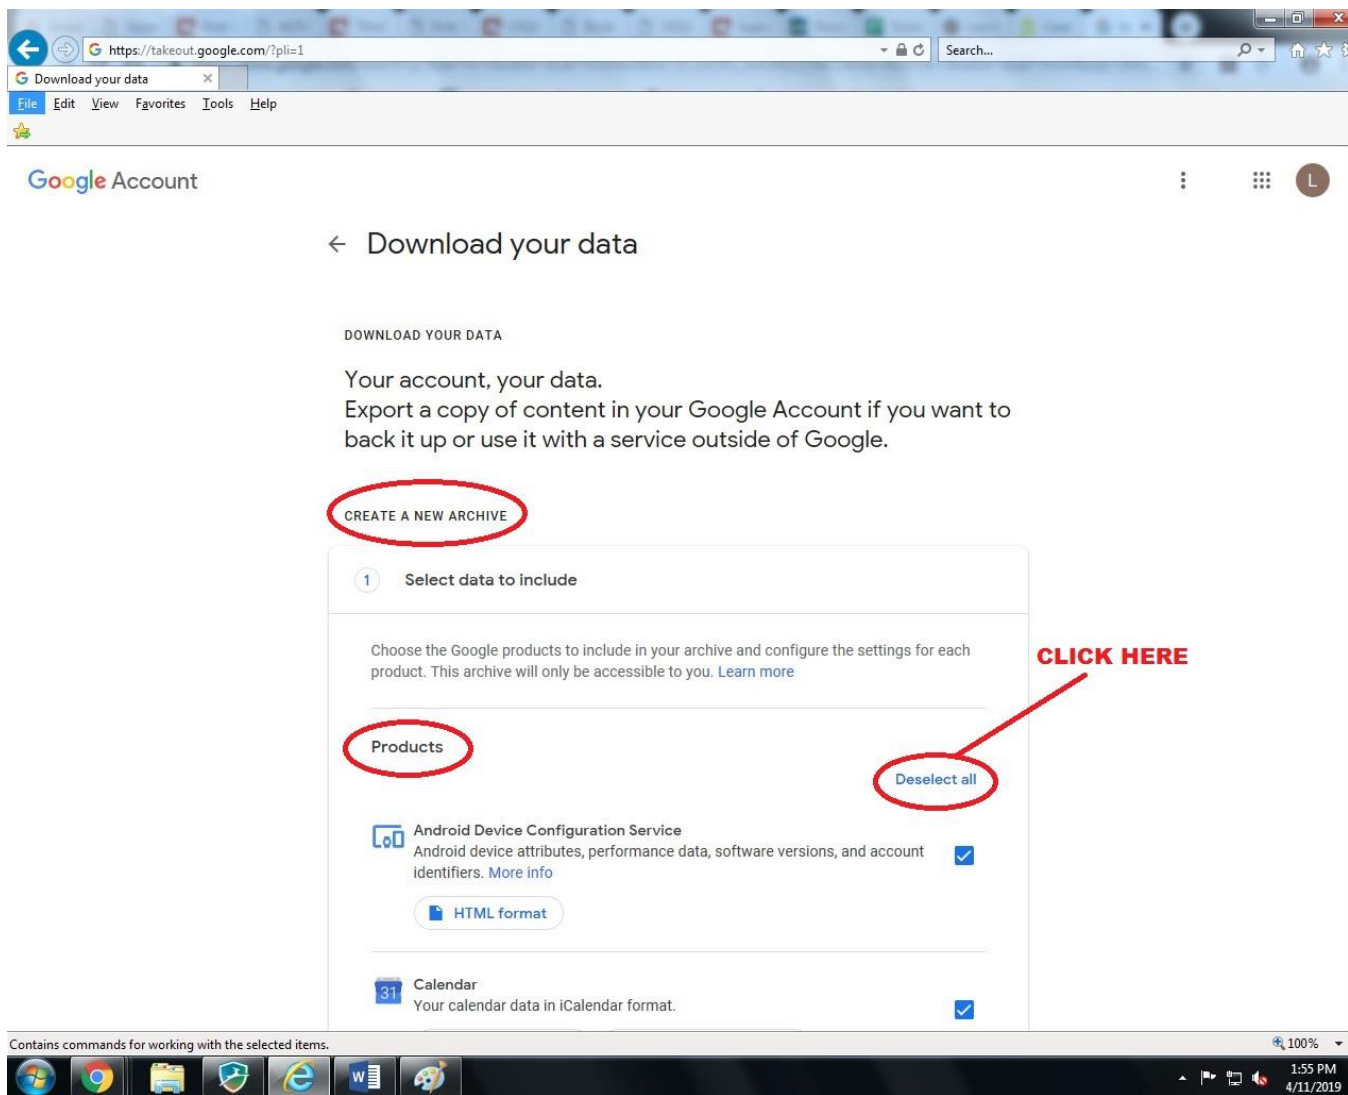

Finally, once you have completed the labeling process as to all relevant emails, follow the steps below to download the labeled emails into a single folder and to provide a link to the folder to the Deputy City Attorney requesting your emails.

2. STEPS TO CREATE AN ARCHIVE FOLDER FOR LABELED GMAIL EMAILS

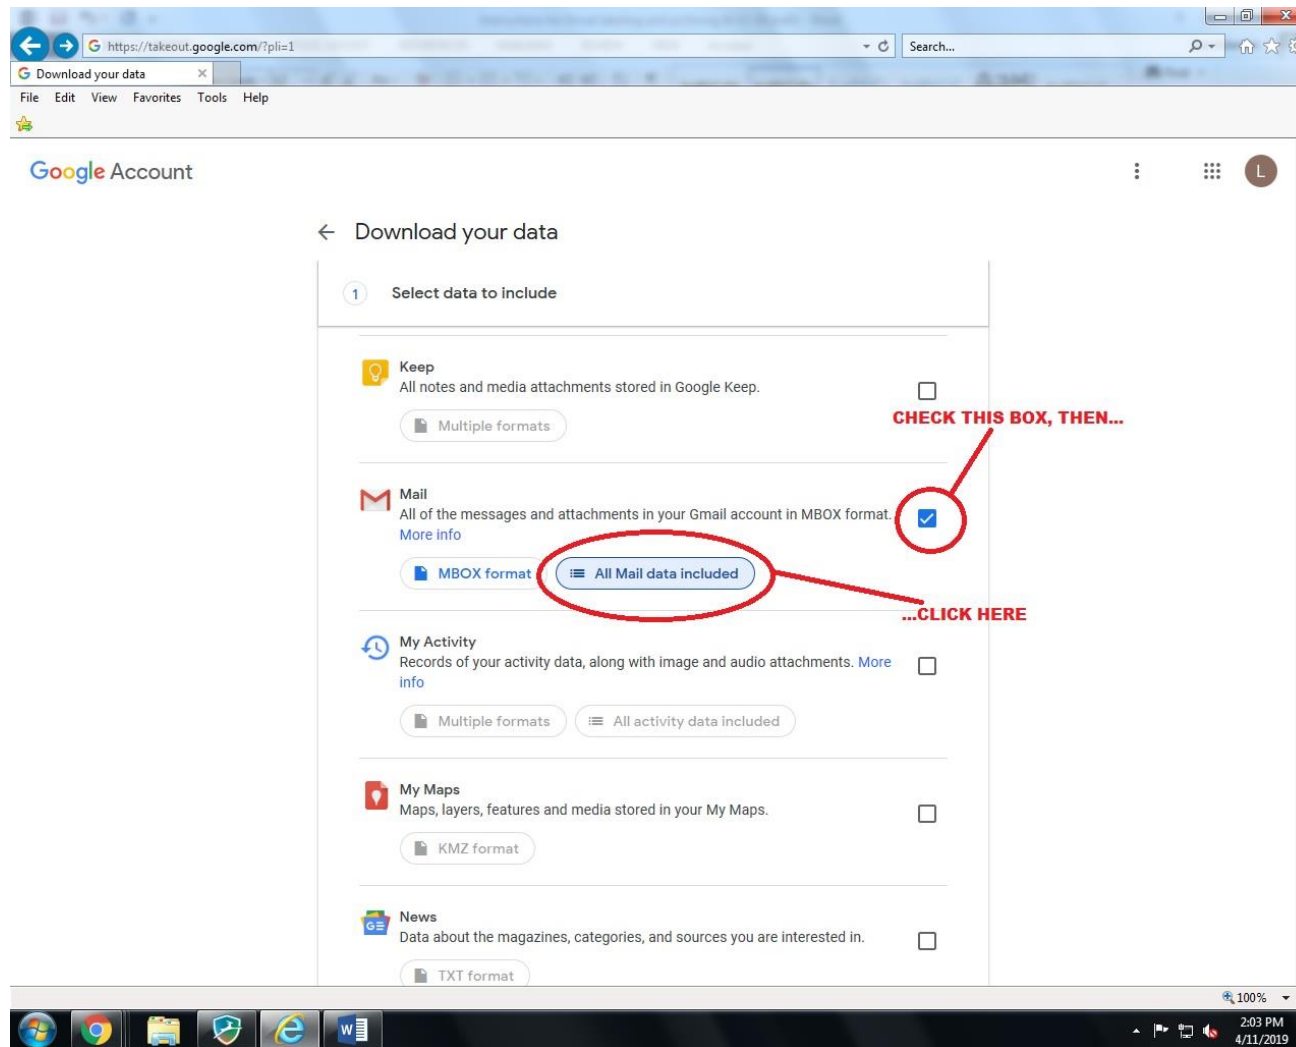

Step 2-1: Go to takeout.google.com. Enter the Google Takeout site using your City email credentials. If you are already logged into Gmail on your internet browser, you should automatically be logged into Google Takeout.

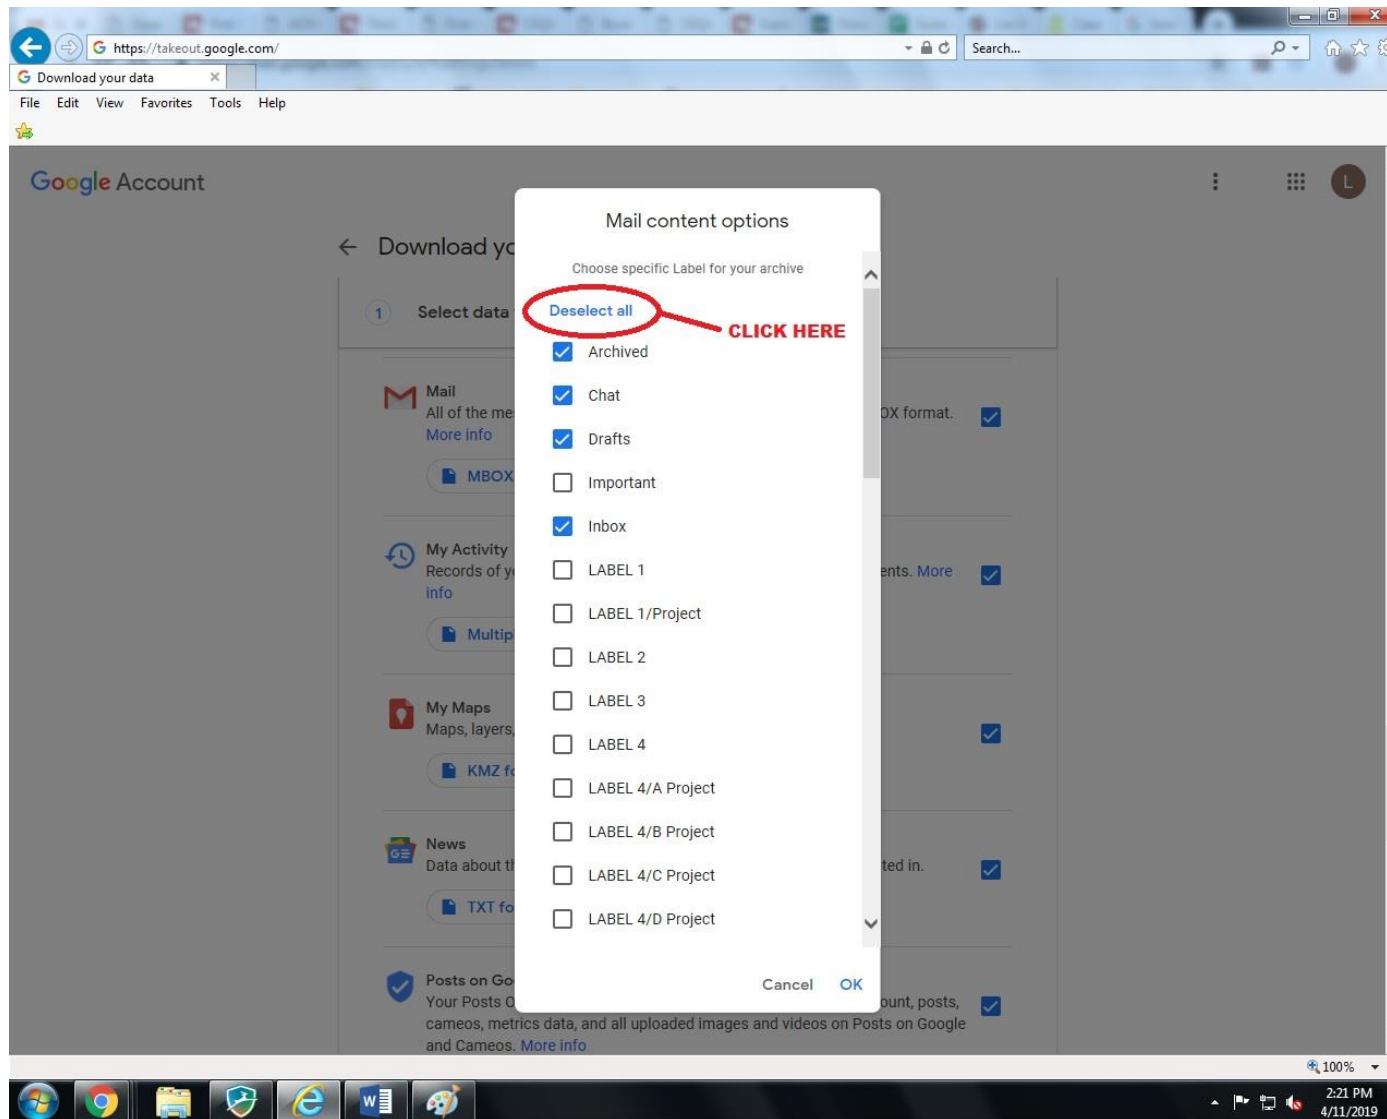

Step 2-2: Under “Create A New Archive,” scroll down to “Products” and on the right hand side of the screen, click “Deselect all.”

Step 2-3: Scroll down towards the bottom of the page and click the “Mail” checkbox. Then click the “All Mail data included” option.

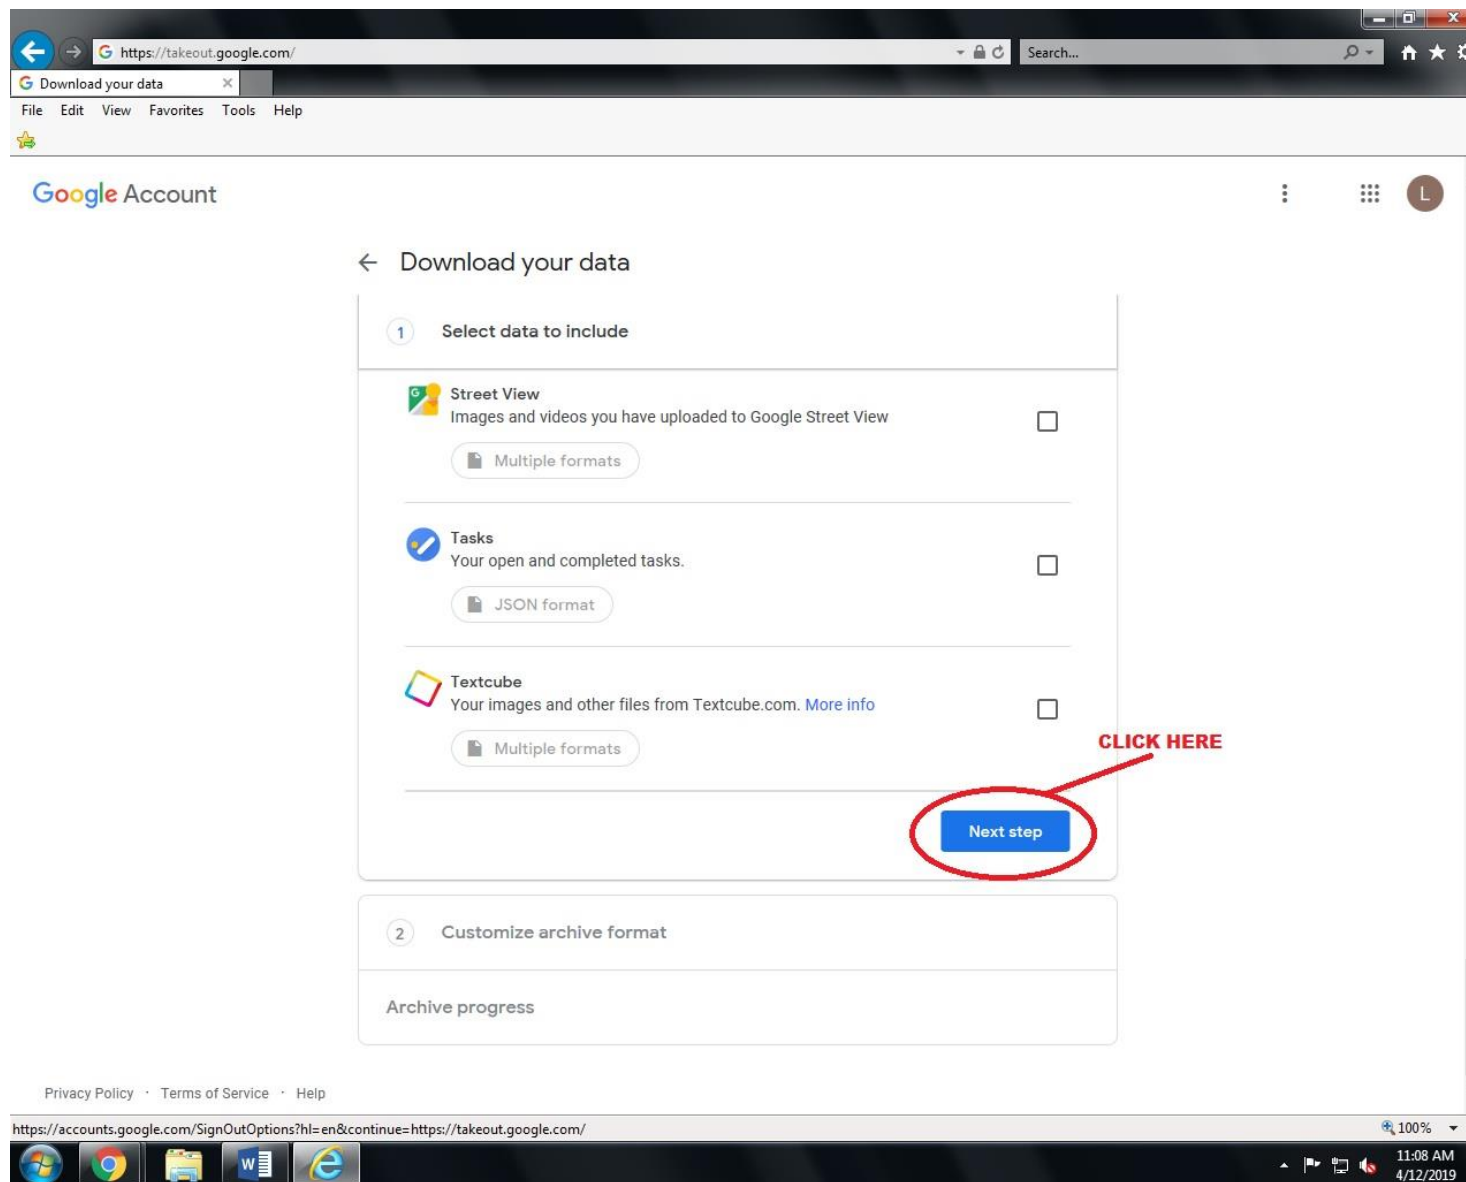

Step 2-4: A pop-up screen will open showing your various “Mail content options,” which includes all of your labels in Gmail. Click “Deselect all” to clear out any pre-selected labels.

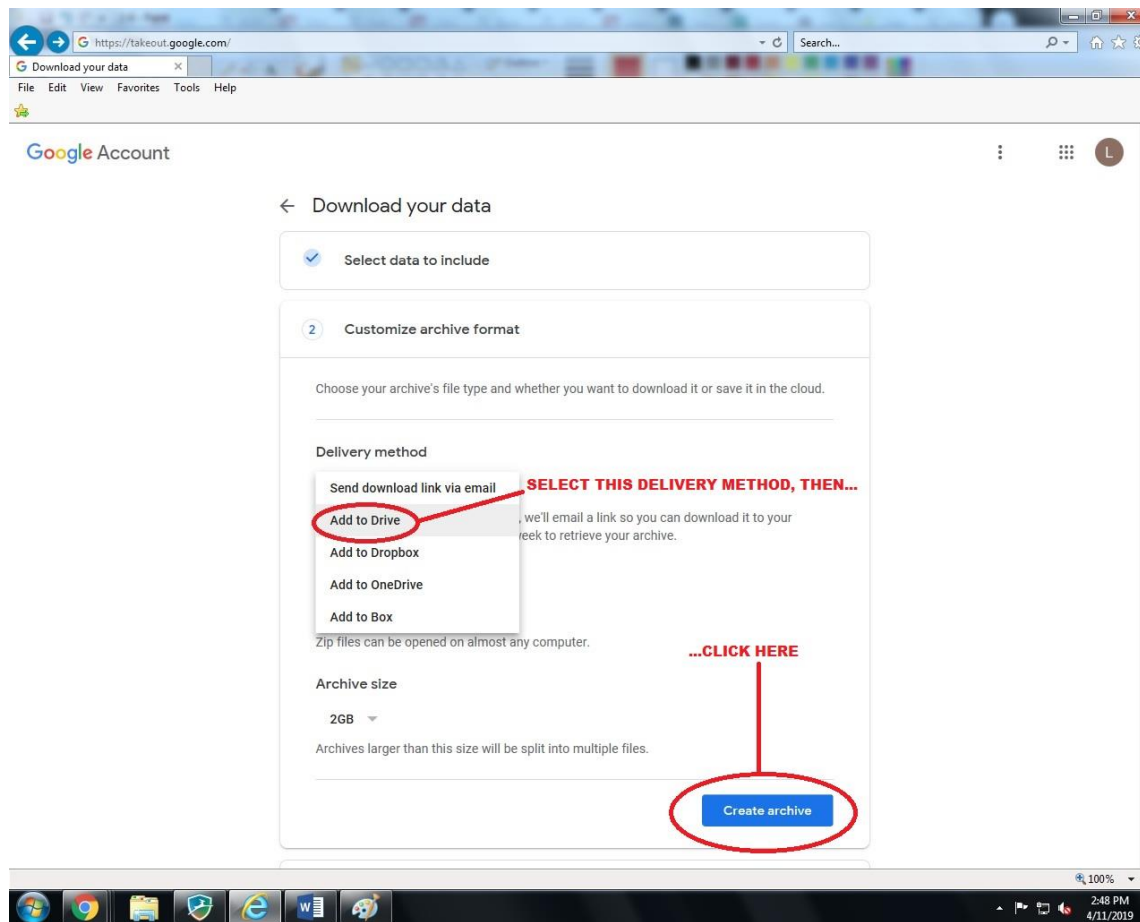

Step 2-5: Click the checkbox next to the related Project label and then click "OK." This will close the pop-up screen and return you to the "Download your data" page.

Step 2-6: Scroll down and click on “Next step.”

Step 2-7: You should now be at the “Customize archive format” section. Here, you can select the delivery method for your labeled emails. Under “Delivery Method,” click the dropdown menu and then select “Add to Drive.” Then click “Create archive” at the bottom righthand corner of the page. This will allow you to store a copy of the archive file in your City Google Drive account. When the archive is created, Google will email you a link to its location in Google Drive.

Step 2-8: Return to your lacity.org Gmail inbox. Once you receive the email notification that your archive file is ready (titled “Your Google data archive is ready”), open it and click the blue “Download Archive” link.

Step 2-9: You will then be taken to a Google webpage titled “Manage Archives”. The project-related emails that you labeled will automatically download as a .zip file. Please send this file to the Deputy City Attorney requesting your emails.

If you have any questions about this process, please do not hesitate to contact us. Thank you!
