**Subject:** Hollywood Center Project: redesign of freeway onramp at, Argyle

---

Good morning, Tom,

I hope you and your family have been staying safe and healthy.

Would you possibly be available for a talk on the phone some time this week? I'd like to provide you with an update on our proposal for a signal at Franklin & Canyon but also - more urgently - talk to you about the Hollywood Center Project and plans for a redesign of the onramp to the northbound Hollywood Freeway at Argyle.

Please let me know if there is a day and time that would work for you.

Thank you,

Alexander
