In a call with Tom from a couple of weeks ago, he said the freeway analysis was in an appendix to the DEIR. At the time, I believe he gave us the attachment #. If we don't have it or if the DEIR is no longer accessible, then we will have to tell Luci that the letter is fine as is.

If Tom completed a freeway analysis based on our interim guidance, I don't know if he ever shared it with us.

I've copied Eduardo in case they sent it to him.
