Attachments: 8-26 WED - DAA AGENDA.pdf

Hello Subdivision Committee members:

Attached is a copy of the agenda for the Subdivision hearing scheduled for **Wednesday, August 26, 2020 at 9:30 a.m.** The hearing will be held virtually using the Zoom platform, and all Subdivision Committee members are welcome to join.

Here are a few instructions and tips to guide you through the virtual hearing process.

PRIOR TO THE MEETING: The final meeting agenda and subdivision staff reports for each item will be sent to the Subdivision Committee the week before the hearing. The final meeting agenda will also be posted to the Planning Department website approximately one week before the public hearing, and can be accessed at <https://planning.lacity.org/about/commissions-boards-hearings#hearings>. The online agenda will include a link to the staff report for each case, along with a link to a Google Share drive containing applicant presentations for the meeting if any have been submitted. Meeting presentations are accessible via this link: <https://tinyurl.com/shared-drive>

JOINING THE MEETING: A calendar invite will be sent to you shortly containing a link to join the Zoom Meeting, the Meeting ID, and Password. Please join the Zoom meeting at least 15 minutes prior to the start of the first hearing so that we can identify, rename, and designate you as a Co-Host. Members of the Subdivision Committee are encouraged to participate by computer by following the link with Meeting ID and Password provided below:

Subdivision Committee members logged into Zoom on their computers will be designated as a Co-Host upon joining the meeting. Please be sure to provide your full name when joining the meeting.

As a last resort, Subdivision Committee members may join the hearing telephonically using the call-in information provided below:

Dial by your location
+1 669 900 9128 US (San Jose)
+1 213 338 8477 US (Los Angeles)
Meeting ID: 924 85 86 5202

If you plan to join by phone, please respond to this email no later than the Friday before the hearing, or **August 20, 2020**, with the phone number you will be using to call in so that we can identify you once you have joined the meeting.

PARTICIPATING IN THE MEETING: Being a Co-Host will give you the ability to mute and unmute yourself. To avoid multiple speakers at once, the Deputy Advisory Agency will call upon the representatives from each Department individually when it is your turn to speak. You may unmute yourself. If you have not been called upon and would like to comment, please feel free to "raise your hand" using the corresponding button on Zoom or unmute yourself.

Subdivision Committee members joining by phone will be unmuted after the Deputy Advisory Agency calls on you. If you have not been called upon and would like to comment, please raise your hand by pressing *9 on the keypad and someone will unmute you.

Thank you for your patience and flexibility as we implement this new format. Please feel free to reach out to me at any time with feedback on how this process may be improved.

Thank you.

VIRTUAL HEARING INSTRUCTIONS

In conformity with the Governor's Executive Order N-29-20 (March 17, 2020) and due to concerns over COVID-19, the Office of Zoning Administration Public Hearing will be conducted entirely telephonically.

Members of the public who wish to offer public comment on items on the agenda should call (213) 338-8477 and use Meeting ID No. 924 8586 5202 and then press the pound sign (#).

You will be automatically muted when entering the meeting.

Please note that meetings may run longer than expected. Periodically throughout the hearing, staff will note what item on the agenda is currently being heard.

To comment on an agenda item, press *9 to "raise your hand" virtually following the Deputy Advisory Agency or Hearing Officer calling the item.

Planning Staff will call upon speakers using the last four digits of the phone number, if available. Each speaker's audio will be unmuted as they are called upon. Speakers typically are given 1-2 minutes to speak and at the end of the specified time limit for public comment, you will hear a buzzer sound or a verbal indicator and Planning Staff will ask you to wrap up your remarks. Soon thereafter, your audio will again be muted and Planning Staff will move on to the next speaker.
