Subject: Re: Notice of Completion and Availability for the Hollywood Center Project Draft EIR (ENV-2018-2116-EIR)

Dear Ms. Nguyen,

I write as a homeowner of 20 years in the Hollywood Hills overlooking the proposed project. I strongly object to the scope and scale of it, most particularly the height. There is no basis to create a new downtown-like area in Hollywood. 46 stories?!!! That is not in keeping with the neighborhood or the area. Moreover, it would cause enormous congestion and pollution issues. Please keep the project to existing, reasonable heights, which are necessary not to overshadow (literally) the Capital Records Building and other key landmarks.

Thank you.
