To whom it may concern,

I am a recent owner of property here in a Hollywood at 1957 N Bronson Ave. Before the pandemic traffic would back up off the 101 highway. So I can guess as we reopen traffic will be back soon. This project will create even more issues with traffic. Please don't let this project make an already difficult situation even worse.

I also want to share my fear with this developer. We are all aware of what is going on with the dangerous tower in San Francisco and it would be a shame to let the same thing happen here in Hollywood. Thank you for your time and consideration in my request.

Regards,

Marvin Van Ekeren
